

8th Vanitec Energy Storage Webinar

26 January 2021 - 2 Hour Webinar
08:00 US EST, 14:00 CET, 20:00 CST

REGISTER NOW FOR 8th ESC WEBINAR!

On the heels of a very successful webinar held this summer, Vanitec will host another Energy Storage Committee webinar on 26 January 2021. Join us for updates on the VRFB including the latest news out of China with presentations and 1 hour panel with Chinese VRFB experts, marketing & sustainability, V market and a new life cycle assessment conducted by Vanitec. The meeting will again be open to all at no cost.

The purpose of the meeting is to bring together VRFB developers, electrolyte producers and suppliers, and vanadium industry contacts. For more information on Vanitec, our VRFB work, and how to join the Vanitec Energy

Storage Committee, check out our website at <http://vanitec.org/vanadium/VRFB>.

Please register in advance for the 8th Vanitec ESC Webinar at https://us02web.zoom.us/webinar/register/WN_MRSGK2eESy-IPrxMxRp_aA

Registration ends 22 January 2021.
